Ireland Golf Tour: Featuring Southwest Ireland Golf Courses

8 Days • 5 Golf Courses • 7 Breakfasts

COURSE HIGHLIGHTS

- **Ballybunion.** The most famous course in Ireland, and among the world's best. Sharply contoured fairways and greens, coupled with the ever-present winds, make it a classic test of seaside links golf.
- **Lahinch.** Situated on the Atlantic coastline, world famous Lahinch is a classic links course rich in history. Lahinch offers rolling fairways, castle ruins and huge sand dunes on which goats freely wander. Blind shots and elevated greens will test the nerves of any golfer.
- **Old Head Golf Links.** Possibly the most spectacular course location in Ireland. Resting on land that extends more than two miles into the Atlantic Ocean. The cliff top layouts of many holes and the ever-changing wind make for a memorable golfing challenge.
- **Tralee.** Tralee Golf Club, Arnold Palmer's first, and perhaps finest, course design in Europe, provides a unique golfing adventure that includes encountering massive sand dunes and views of the Atlantic Ocean from every hole.
- **Waterville.** Stunning views of the Atlantic Ocean and the Kerry Mountains. Although Waterville is a long course, fairways are relatively flat and easy to walk. And, unlike most links courses, there are no blind holes.
